Race course

You choose a course according to the distance with the club of your choice and basically the time is taken by you based on an honor system. You will need to indicate in which club you will do your race when you register. If you are living in the health zone of Sureau Blanc Club we encourage you to do the Loppet at that club.

Style to choose

Saturday February 6 will be a Classic day and Sunday February 7 will be a Skate day. Your registration price is either for 1 day or for 2 days. If you choose the 2 days on the Zone 4 application, you will choose pursuit and you will do the same distance for the 2 days. (Example: If you choose 24 km pursuits this will mean that you will do 12 km classic on Saturday and 12 km skating on Sunday)

How to take your time:

Here are some options to consider in providing us with your distance and time:

1. You can download your GPX file from your watch application.
2. You can also take your time with the Zone 4 phone application. In your phone application you must enter the club pin code which is 85951. Also, you must use a bib number. If you use this option, please send an email to Edouard and Marc (their email is indicated at the beginning of this race notice). They will inform you what bib number to use.
3. Simply take the total time of your stopwatch

After your race you go to Zone 4 site at the event with the name '**New Brunswick Virtual Loppet Series**' and enter your race information by clicking on the link as shown in the following photo:

**** If you are having trouble just email your time to Edouard and Marc. (their email is listed at the start of the race notice) One of them will enter your loppet time.**
